

Choosing The Right Academy Sponsor

A package that will support you in analysing the credentials of an academy sponsor.

Package Outlined

Choosing the right academy sponsor is crucial in achieving the long term goals for your school. This package can help you understand your finances as a prospective academy and ensure due diligence is undertaken when determining the various levels a sponsor can offer as part of their centralised support and the costs associated with these.

The package will deliver: ;

- Support in helping to understand the additional funding your school will receive as an academy.
- Appropriate questions to ask a sponsor.
- An evaluation of the responses from interviewing the sponsor
- Support in choosing the right academy sponsor.
